OF ST. CHARLES COUNTY**

Member Handbook

Our Mission

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

TO THE CAREGIVERS OF OUR MEMBERS

WELCOME!

We at Boys & Girls Clubs of St. Charles County (BGCSTC) would like to thank you for selecting us! Our Club is a place for members to build character through leadership and discover new interests. When you visit BGCSTC, you will find a lively place with trained professional staff and volunteers who are positive adult role models for young people. Club members are directed to study and engage in constructive activities through the Club or community services.

Membership includes many programs (see page 6) that emphasize leadership and building character. In addition, each member receives a nutritious meal daily through our food program.

Welcome to our family! Your child's safety is important to us. This is a handbook of policies to ensure your child has a positive and rewarding experience. Please read through this handbook carefully as you will be expected to follow these guidelines.

You may contact the front office any time the Club is open if you have questions, concerns, or need additional information.

Linda J Sanchez

PARENT/STAFF COMMUNICATION

Good communication is essential to providing the best possible care for each child. It is vital that you inform us of changes in your child's life that may affect his/her behavior. Changes at home may include moving, hospitalization of a family member, alterations in the parents' relationship, or a death in the family. Home issues influence the way in which your child relates to others. Staff can better provide for a child's needs if they are aware of the situation.

PARENT INVOLVEMENT

The Club believes that parental involvement is necessary for the success of any youth program. As a caregiver, you are welcome to visit the Club anytime you wish without prior notice. Your cooperation with all policies and procedures is appreciated. Take every opportunity to talk with staff about your child. Ask your child daily about the programs s/he attends and take time to read the available information that goes home. We encourage you to volunteer any time or talents you may have to the Club. Welcome again, we look forward to getting to know you and your family!
